HI Chiefs,

See below.

What can we do, these seems to be extremely dangerous lifesafety and emergency response challenges.

Not sure why OPS wouldn't have accessed the Chateau Laurier via St. Patrick and Mackenzie Avenue.

Steve... we had a major sprinkler failure today that started the fire alarm and a flood in our elevators (yes, I needed that...) but see the message from my Manager... THIS is critical...

Genevieve for your call tomorrow with the OGHA, big concern that came up today with the fire alarm was the fact that the fire truck couldn't make it to the hotel… this would be the case for ambulance…. So all hotel in this radius is most likely in the same situation. Could be a major issue in case of real emergencies
